Breakthrough - Women's Bible Study Participant Workbook Aug 21 2020 Let go of feeling like you are not a “good enough” Christian and find freedom in Christ by studying Paul’s letter to the Galatians in Breakthrough by Barb Roose. Have you ever felt that being a good Christian means you’ve got to follow a bunch of rules and measure up? If so, you aren’t alone! In this six-week Bible study of Galatians, Barb Roose shows us that even the believers in the early church struggled to let go of rule-keeping and performance in order to embrace God’s free gift of grace. In his letter to the Galatians, Paul pours out his heart and faith to set them straight, addressing so many of the same questions and problems we still face today, such as... - Who has led you to believe you have to follow rules and “measure up”? - Why do you think you have to be perfect for God? - Does God only show up or love you when you “get it right”? If you’ve ever struggled with these questions or felt trapped by rules or religion, this study will provide a path to discover your freedom in Christ. Through this study women will learn to: - Stop trying to measure up and embrace God’s grace - Distinguish between lies and truth - Embrace God’s promise of freedom Components for this six-week Bible study, each available separately, include a Participant Workbook, a Leader Guide, and video sessions with six 25-minute segments (with closed captioning).

Small Group Leaders' Handbook Oct 15 2022 What do we mean when we talk about small groups? And more importantly: what do we expect to happen when people gather in this way? The small group that wrote this book—made up of current and former campus ministry professionals with InterVarsity Christian Fellowship—explores these questions and gives you everything you need to know about small groups, including foundations, key components, life stages, planning, communication, conflict, leadership and more!

Coaching Life-Changing Small Group Leaders Jul 20 2020 Small groups transform churches---and lives. Small group leaders often feel the weight of shepherding their members. But who shepherds the shepherd? And what are the best ways to provide that support and guidance? These are the questions answered in Coaching Life-Changing Small Group Leaders. When you're called to coach a small group leader in your church, your mind may be filled with questions: Am I godly enough? What do I have to offer? How do I begin? Although the challenge seems immense, this handbook breaks down the work into reassuring and achievable steps. Originally self-published by Willow Creek Community Church, this expanded and improved edition offers field-tested and biblically supported advice on such topics as modeling a surrendered life to those you shepherd gaining the tools and wisdom you need for coaching helping leaders grow spiritually nurturing the spiritual development and support of leaders. For those who want to coach with excellence and truly help small group leaders thrive, this go-to guide offers practical answers and inspiring examples. You'll find both challenge and promise in these pages as you learn to carry forth your God-given calling with confidence. 'We ask small group leaders to come alongside their group members, but often no one comes alongside them. This is a great tool from two people who have done exactly that for a long time. Small group leaders everywhere will benefit from this kind of coaching.'

Surrendered - Women's Bible Study Leader Guide Jan 14 2020 Learn How to Surrender Like Jesus. Are you facing a problem in life that you just can't fix, no matter what you do? Perhaps you've heard the phrase "Let go and let God." But it's easier said than done. Is it possible that giving up on what you can't change is God's path to peace for your life? In this six-week Bible study of Jesus in the wilderness, Barb explores Jesus' time of testing and contrasts it with the Israelites' failures in the wilderness. As you learn from Jesus' example, you'll discover six principles that will equip you to let God lead you to victory despite your circumstances as you deal with the problems and pain you are facing: 1. Recognize You Can't Handle It 2. Stop Following Your Feelings 3. Give Up Control and Reach for God 4. Embrace God's Better Blessing 5. Let Go of Fear 6. Experience the Blessings of a Surrendered Life If you're tired of following your feelings or being disappointed by unchanging circumstances, learn how to surrender like Jesus and experience God's power and peace in your life as never before. Other components for the Bible study, available separately, include a Participant Workbook and DVD.

Walking with God in Relationship - Redeeming the Heart - Group Leader's Guide May 30 2021 The Walking with God series of studies encourages disciples to dig deeper in building their personal relationship with God. This book contains all the teaching notes as well as lots of hints and tips for leading a small group through the second set of studies in the series - Walking with God in Relationship - Redeeming the Heart. The aim is, through Bible study and follow up home exercises, disciples find personal healing and spiritual freedom as well as understand what it means to be a whole-hearted follower of Jesus. It is hoped that as disciples enjoy gathering and growing together regularly they will want to carry on in their journey of discipleship by completing other Bible studies in the Walking with God series or other studies within New Beginnings Discipleship. The end-goal is that some will become effective disciple-makers themselves..

The Respect Dare Jul 12 2022 Want to facilitate a small group for wives which dramatically impacts their marriages and their walk with God? Professional trainer, executive communication coach and author, Nina Roesner, shares some of her life changing group facilitation methods with you. There's also a video series you can use with your small group here: <https://vimeo.com/ondemand/respectdaresmallgroup> Grab hold of an exciting training method with easy to understand instructions - then take your small group of women through the best selling book, "The Respect Dare" and supplement the experience with exercises, activities and discussion that will leave an impact for generations to come. Utilize proven training methods to help facilitate growth for your participants. Walk confidently beside the wives in your group as they grow closer to God and their husbands as a result of their journey through "The Respect Dare." Recognize that this is radically different than any other small group guide available today. This is so much more than a typical small group guide - it is a professional trainer's manual, with the content made simple for lay people to understand and implement without investing thousands of dollars to become trained in this method of growth facilitation. You can expect your group of women to connect quickly, deeply, and grow significantly, if you utilize the methods suggested in "The Respect Dare - A Small Group Leader's Guide." What Christian Leaders Have to Say about "The Respect Dare:" Dr. Kevin Leman, best-selling author of "Have a New Husband by Friday:" "Nina's insightful steps in The Respect Dare help you along the path to a better marriage. Walk along this successful path traveled by many women to find growth and fulfillment. Take the first step, I dare you." Shaunti Feldhahn, best-selling author of "For Women Only: What you Need to Know about The Inner Lives of Men:" "Believe it or not, most men need respect so much that, if they had to, they would give up love to get it - and respect empowers them to be the caring man you most need. One of the most important things you can ever do for your man - and thus for yourself -- is to read this book. From the first page you are an active participant as you go through daily scripture, self-reflection, prayer journaling and lots of 'now I get it!' examples. Think Nike slogan "Just Do It:" each day you find yourself DOING respect - not just thinking, praying, talking or reading about it - but DOING it. You will find your habits seamlessly changing into new ways of relating that will feel as wonderful and life-changing to you as to him." Pastor Mark Gungor, best-selling author of, "Laugh Your Way to a Better Marriage:" "Women need to affirm, encourage and respect their husbands with their actions and words-and sometimes it is with the lack of words that is most powerful, if you catch my drift! Respect can be shown both by what you say and often times by what you don't say. Many times when I speak of this to women, they launch into 20 questions: What does respect mean? What does it look like? How do I show it? What if he doesn't deserve it? The list goes on and on. While there is no one-size-fits-all answer, or no recipe or steps to follow, understand that the whole concept of respect has more to do with you than it has to do with him. I encourage all women to accept this respect challenge and find out if I'm right. What do you have to lose except a whole lot of selfishness, bitterness and unrealistic expectations? On the other hand, you have a great opportunity to gain greater understanding, self-confidence, joy and a better relationship with God and your husband. Go ahead, I dare you. You won't regret it."

Walking with God in Relationship - Prayer & God's Word - Group Leader's Guide Jun 18 2020 The Walking with God series of studies encourages disciples to dig deeper in building their personal relationship with God whilst, at the same time, challenging them to nurture a missionary mind set which is to see people as Jesus sees them with a heart to demonstrate His love through various means of service. This book contains all the teaching notes as well as lots of hints and tips for leading a small group through the first set of studies in the series - Walking with God in Relationship - Prayer & God's Word. The aim is to lay a foundation of worship, prayer and personal study of the Word of God in the life of the disciple. It is hoped that as disciples enjoy gathering and growing together regularly they will want to carry on in their journey of discipleship by completing other Bible studies in the Walking with God series or other studies within New Beginnings Discipleship. The end-goal is that some will become effective disciple-makers themselves.

Small-Group Leader's Quick Guide to (Almost) Everything Sep 14 2022 The goal of youth ministry is “real” transformation. But “polite” youth ministry—when teenagers show up, say nice things to each other, yet never get real with one another—is not how transformational discipleship happens. Authors Tighe and Thomas believe leading young people into an intimate, abiding relationship with Jesus is the most important investment small-group leaders can make in life. And they truly believe that anyone who cares for teenagers can do it! Real ministry happens when volunteers/small-group leaders are equipped and empowered to reach and develop relationships that make a difference in the lives of the teenagers. But so many don’t feel like they really know how. Small-Group Leader’s Quick Guide to (Almost) Everything gives your volunteers the practical training they need in the bite-size format they’ll appreciate. This book is like a satisfying “protein bar” for youth ministry volunteers. It’s made for busy people who want to make a big difference in the lives of teenagers. Here’s some of what you’ll find packed into this quick guide: • Why

relationships are EVERYTHING in youth ministry, and how to pour fuel on that fire • How to “decode” teenagers’ behavior in the moment and respond in a meaningful way • Why experiencing a relationship with Jesus matters more than just knowing facts • How to help hurting teenagers • How to set healthy boundaries for you and the teenagers • And so much more! If you’re a volunteer youth worker who cares for teenagers, you don’t have to be “cool” or wear skinny jeans or have a theological degree. You just need to have a desire to be present in the lives of students and feel equipped to respond. This book helps you do that...

The Essential Guide for Small Group Leaders Jan 18 2023 Most small-group leaders don't have time to read a book on small groups. Most barely have time to lead a group, much less explore the ins and outs of group ministry. They just want to know how to lead their group well! In this book, you'll find simple, clear answers presented in quick lists so you can easily find what you need.

Leading Small Groups May 10 2022 Leading a small group can literally change the world. We have been commissioned to make disciples who make disciples, and Jesus showed us that the best way to carry that out is through small groups of believers. Just like the first-century church, small groups form the foundation to take the gospel to the ends of the earth. Chris Surratt, Discipleship and Small Groups Specialist for LifeWay Christian Resources, and author of *Small Groups for the Rest of Us*, wants to help you get from here to there. Regardless of whether you have never lead a small group or have been leading one for years, all of us want to know how to create environments where spiritual growth takes place and communities are changed. *Leading Small Groups* walks the reader through the stages of gathering, launching, leading, and multiplying a gospel-centered small group. There are also follow-up questions for discussion and reflection at the end of each section, and practical resources that can be implemented immediately by the small group leader. Jesus left his followers with a task—the Great Commission. This book will help small group leaders and churches in their obedience to this task.

Building a Life-Changing Small Group Ministry Aug 01 2021 Like nothing else, small groups have the power to change lives. They are the ideal route to discipleship—a place where the rubber of biblical truth meets the road of human relationships. However, church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church, and they struggle with understanding and solving the root causes of problems. Group Life resources provide, in ebook format, the practical tools and training resources needed to develop life-changing small group leaders, coaches to shepherd group leaders, and ultimately, a thriving church-wide small group ministry. These resources include the updated and revised versions of the best-selling *Leading Life-Changing Small Groups* and *Coaching Life-Changing Small Group Leaders*, the new *Building a Life-Changing Small Group Ministry* and the supplemental *Group Life Training DVD*. Appropriate for individual or group study, the books function as manuals and workbooks that teach and allow readers to process and record information as they learn. Downloadable web-based vision clips and supplemental videos in the DVD help readers explore and discuss topics further. Group Life Resources conveniently integrate with the ReGroup™ curriculum, giving trainers the option to use them together. Bill Donahue and Russ Robinson’s *Building a Life-Changing Small Group Ministry* presents a broad introduction for pastors and point leaders to use as they navigate through the process of establishing and developing independent groups or a church-wide ministry of small groups.

Core 52 Dec 05 2021 **ECPA BESTSELLER • FINALIST FOR THE CHRISTIAN BOOK AWARD®** • Build your Bible IQ and Christian worldview in just fifteen minutes a day! Over the course of a year, Core 52 will help you master the 52 most important passages in the Bible. “You will gain the tools you need for living the life God has called you to.”—Kyle Idleman, pastor and author of *Not a Fan* “For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come.”—1 Timothy 4:8 Most of us want to know the Bible better, but few reach our goal, often because we’re too busy or we don’t know where to start. Core 52 removes both barriers, offering a common-sense solution that fits into our busy lives. Respected Bible professor and teaching pastor Mark E. Moore developed this proven process from thirty-five years of helping people grow deeper in God’s Word. Each week features a brief essay, memory verse, Bible story, trajectory verses, and practical ways to put what you’ve learned into practice. An optional “Overachiever Challenge” offers the chance to memorize the top 100 Bible verses by year’s end. This simple approach allows you to become familiar with the big ideas of the Bible in less time and with less effort than other reading plans. In one year, you can master the core of the Bible—focusing on topics from God’s will to worry, happiness to holiness, and leadership to love. These fifty-two core passages are lenses through which you can read the rest of the Bible with clarity and confidence.

Baggage Checklist Group Leaders Guide Mar 16 2020 The *Baggage Checklist* offers the individual an opportunity to talk and pray through any unresolved personal and spiritual 'baggage' that might otherwise prevent the person from making real progress in moving on in their relationship with God. This is done through a specially set aside prayer appointment or short series of appointments (depending on personal needs). This *Baggage Checklist* and accompanying *Group Leader's Guide* is the tool to facilitate this. The *Leader's Guide* gives an overview, hints and guidance for use in running these sessions.

Listening & Caring Skills Mar 08 2022 The secret to leadership and transformation of a group—or of another person—is the quality of the relationship one person has with another. The effective group leader or counselor will be the person who learns how to listen to other people. By studying and employing listening skills, church leaders will engage others more compassionately, allowing them to feel that their needs are being met. These skills can be used with persons who are terminally ill, inactive at church, going through a divorce, in a family with a severely ill person, unemployed, seeking a new church, grieving, traumatized by catastrophe, going through teenage adolescence, in marriage counseling, or leading a ministry team. John Savage offers eleven specific and teachable listening skills for improving relationships among those who do ministry in small-group settings or when offering counsel to others. The skills are taught through oral exercises and unfailingly helpful examples from actual congregational situations. The skills include paraphrasing, productive questions, perception check, expression of feelings and emotions, fogging, negative inquiry, behavior description, and story listening.

Equipping Small Group Leaders Oct 03 2021 God does big things through small groups: He heals, unifies, encourages, and equips. Christ trained his twelve apostles in a small group. Paul and Barnabas were called to international missions while participating in a small group (Acts 13:1-3). Essentially, all believers owe something to those initial small groups, and many of us have experienced great blessing through contemporary ones. God does big things through small groups, and that's why we participate in them and aim to lead them. In this study, we will look at the WHY of small group leadership. Why should we participate in and lead them? We will consider the WHAT of small group leadership, as we look at types of small groups, their elements, and their focus. We will look at the WHO of small group leadership, as we consider qualities of good small group leaders. Finally, we will look at the HOW of small group leadership, as we consider the skills of a leader, the basic order of a small group gathering, and a sample Bible study lesson. Let's learn more about excelling at this strategic ministry together with The Bible Teacher's Guide. "Helpful to both the layman and the serious student, The Bible Teacher's Guide, by Dr. Greg Brown, is outstanding!" -Dr. Neal Weaver, President of Louisiana Baptist University

The Field Guide for Small Group Leaders Jun 30 2021 The Field Guide for Small Group Leaders provides basic training and support to help small group leaders succeed in the critical mission of leading others toward spiritual growth and transformation. The premise of serving as a small group leader sounds simple: Invite people to join you in studying the Bible. But the real-world implications of that role are incredibly complex. Today's small group leaders are asked to function as semi-experts in theology, psychology, evangelism, worship, apologetics, counseling, education, and nutrition--all in service to God and His church. Most of today's group leaders receive little or no training on how to carry out this important work. They are told to "Go and make disciples," then left to figure out the details on their own. Sam O'Neal (a small group leader himself), wrote The Field Guide for Small Group Leaders to help fellow leaders navigate this confusion and map out a plan for successful, transformational, and rewarding meetings. The Field Guide provides helpful information on: Curriculum and planning. Learning styles. Icebreakers and learning activities. Crafting discussion questions. Worship and prayer. What to do when things don't go as planned. And more. Whether you lead a small group, life group, or Sunday school class, this guide will give you confidence and practical tools for fostering meaningful connections, genuine community, and spiritual growth that so many are desperate for.

How We Love, Expanded Edition Nov 11 2019 Did you know the last fight you had with your spouse began long before you even met? Are you tired of falling into frustrating relational patterns in your marriage? Do you and your spouse fight about the same things again and again? Relationship experts Milan and Kay Yerkovich explain why the ways you and your spouse relate to each other go back to before you even met. Drawing on the powerful tool of attachment theory, Milan and Kay explore how your childhood created an "intimacy imprint" that affects your marriage today. Their stories and practical ideas help you: * identify your personal love style * understand how your early life impacts you and your spouse * break free from painful patterns that keep you stuck * find healing for the source of conflict, not just the symptoms * create the close, nourishing relationship you dream about Revised throughout with all-new material and additional visual diagrams, this expanded edition of How We Love will bring vibrant life to your marriage. Are you ready for a new journey of love? Note: The revised and expanded How We Love Workbook is available separately.

Simple Small Groups Dec 17 2022 Over the past two decades, small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church. Many evangelical churches have some form of small groups ministry in place. But there's just one problem, says Bill Search--what started as a simple get-together has become a complicated process, especially for small group leaders. They are often not sure what is expected of them or what to expect from their groups as a result of their efforts. In Simple Small Groups, Search lays out the three C's of small groups--connecting, changing, and cultivating. This paradigm helps to simplify leading small groups in a way that is helpful, rewarding, and life changing. Unlike many other books geared toward small group leaders, Simple Small Groups does not require a church-wide adoption of an intricately designed system of assimilation, making it useful to any small group leader looking for guidance.
