Safe Connections Nov 18 2022 Concerned about keeping your young teen safe?It was much easier to protect our children from sexual harm when they were small and underfoot. Now that they're older, and making connections with others outside the home, what new information do we need to safeguard them from abuse?Sandy K. Wurtele offers wisdom on behalf of 10- to 15-year-olds in her latest book for parents on the subject of abuse prevention. Children in this age range present a unique challenge to parents who want the richest, safest adolescent experience for their kids. That challenge is the combination of developing sexuality and drive for independence-without enough experience or brain development to always make good decisions.To keep your young teen as safe as you can from abuse: Learn what makes these kids particularly vulnerable to sexual exploitation. Teach them how to recognize if your teen is the abuser and how to get help for him or her. Learn to recognize if your teen is the abuser and how to get help for him or her. teach your child about the dangers of sexting and exploitation by online predators and how to avoid both.While it might scare you to think about these dangers, knowledge can equip you and your teenager with the ability to avoid, or deal with, these problems. This will give you and your child confidence in meeting the challenges of this new developmental stage.Sandy K. Wurtele, professor of psychology at the University of Colorado, specializes in research toward the prevention of Childhood Sexual Abuse (CSA). To that end, she

speaks at conferences and gives workshops all over the world. She is an advisor to the National Center for Missing and Exploited Children. Her first book in this series is *Out of Harm's Way: A Parent's Guide to Protecting Young Children from Sexual Abuse*.

A Parent's Guide to Helping Teenagers in Crisis Jan 16 2020

You've seen it on the news too many times to count. School shootings, adolescent addictions, bullying, eating disorders,

depression and suicide, cutting, pregnancy. There is no lack of bad news to be told about teenagers today. Maybe you believe that will never happen to “my child.” And maybe it won’t. But crises aren’t always the stories that make the evening news. The spectrum of crises an adolescent may face can range from something as (seemingly harmless) as getting caught cheating on a test to dealing with the breakdown of the family, to acting out and getting in trouble with the law. And the reality is that someone they know will likely experience some kind of crisis—and that can affect your teen significantly. Either way, when a crisis affects your teen, wouldn’t you want to be prepared? Rich Van Pelt and Jim Hancock, both of whom have raised teenagers into adulthood and have spent decades in youth ministry and crisis management, bring together their expertise and insight to help you identify and understand what a crisis is and how you can help your teen live and grow through it. Inside, you’ll find practical responses for issues like: • Suicidal thoughts or behavior • Accidents • Cheating • Death (of a friend or loved one) • Divorce • Eating disorders • Hazing • Pregnancy • Sexual abuse • Sexual identity confusion • Substance abuse or addiction • And more... In addition to learning appropriate responses to crises, you’ll learn how to prevent some of these issues, and how to get professionals involved when necessary. Whatever it is your teen is dealing with, your influence in their life is still the most important one. So be prepared to walk them through their crisis with wisdom, compassion, and the tools to help them heal.
