**Frat House Confessions: Wes** Dec 13 2019 She wants more than just his forgiveness... Trixie's not ashamed of the exposé she wrote for the college newspaper last year. She's a woman who knows what she wants and isn't afraid to do whatever it takes to get the story, even if it meant lying to a friend to get the inside scoop. Still, every time she sees Wes, she regrets the loss of someone she really enjoyed spending time with. Not one for labels, or someone who puts limitations on attraction, Trixie can't deny the pull she feels toward Wes when they cross paths again. He's willing to do whatever it takes to change her perception of him... Wes has always been the odd man out. Different than his brothers, he was always more comfortable playing video games or enjoying solitary moments in the pool. Although he never expected someone as sexy as Trixie to fall for an inexperienced guy like him, he also never expected her betrayal. Now that he has a second chance, can he get her to see him as more than the nice guy she duped? A year has passed, but anger and regret still linger. Can Wes and Trixie agree to put the past behind them and move forward, or will late night confessions prove to be more than they can forgive

and forget?

But Ellen and her friends don't give up easily. They realize they've been called to give voice to the invisible

women who suffered behind the walls of the house for decades. "Slightly wacky ladies, humor & good intentions result in a very interesting story. I've already ordered the second one in the series."--Lynne J. Condon ????? "They begin a dangerous quest digging into the real history behind the Gold House. What they find will blow your mind! My heart was racing throughout this entire book. If you believe in ghosts or even if you don't, I suggest reading by a lamp. I jumped several times as if a movie were playing inside my mind. . . . The three women in this book are wonderful. This is definitely a must-read. 5 stars for Eva! Well done!"--Book Lover Reviews ????? "I chose this book to read because I had an awful cold and figured that if I wasn't impressed, I'd just skip finishing it! Boy was I wrong! It was really good! Even when my eyes said they were tired and should be resting, my mind said you gotta keep going. It was a real treat!"--Lynn Reener ????? "This captivating tale of three friends setting out to renovate and flip a house is definitely not your average haunted house story. The three lead characters and all the other people in this story (whether major players or merely peripheral persons) are so carefully crafted with their own unique personalities and attributes that they spring to life in the reader's mind. The story, itself, is mesmerizing with all the back-story details of the characters' lives and especially with the convoluted and macabre history of The Gold House (the house purchased by our leading ladies). This is one of those stories that is achingly hard to put down when bedtime rolls around or something requires your immediate attention. It really is that good."--txdoc, Goodreads Reviewer ????? "This is my first experience with author Eva Pohler and I can't believe I haven't read anything of hers before! Loved the book and I'll be checking out more in this series."--The Novel Lady ????? "Loved reading this book. So sad that there were people

mistreated in our former days. These types of retreats or rest care facilities actually used to operate in the US for many years. Some state owned too. IN The 70 ALL were shut down. THE GHOST that haunted the house and her ancestors first tells a telling tale about what happened inside the walls of the house three women buy and restore to its former glory."--Cozy Mystery Reader ????? "This is a real page turner. Riviting, and exciting. The characters are very well written, its easy to read and you won't want to put it down."--Southermermaid85, Goodreads Reviewer ????? "Secrets of the Greek Revival sent a rollercoaster of emotions throughout this story. I couldn't put this one down. If you are looking for a great read then this is your book. I seriously didn't know what was coming next. As I don't like to give away spoilers, and believe me you would not want me to, I will however tell you that I enjoyed this book so much I kept,switching from reading to audio so I could enjoy while driving to and from work."--Denise M. ????? **Code Name: Rook** Apr 16 2020 Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I,

along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

The Island House Jun 30 2021 New York Times bestselling author Nancy Thayer evokes the shimmering seascape of Nantucket in a delightful novel that resonates with the heartache and hope of growing up, growing wise, and the bittersweet choices we must be brave enough to make. Courtney Hendricks will never forget the magical summers she spent on Nantucket with her college roommate, Robin Vickerey, and Robin's charismatic, turbulent, larger-than-life family, in their gorgeous island house. Now a college English professor in Kansas City, Courtney

is determined to experience one more summer in this sun-swept paradise. Her reason for going is personal: Courtney needs to know whether Robin's brother James shares the feelings she's secretly had for him. Time with the Vickerey family always involves love and laughter, and this season is no different. Vivacious matriarch Susanna Vickerey is celebrating her sixtieth birthday, but beneath the merriment, trouble is brewing. The family patriarch, Dr. Alastair Vickerey, is quiet and detached, while unspoken tension looms over oldest son Henry, a respected young surgeon. Warm and witty Robin, the most grounded of the siblings, is keeping a secret from her parents. Iris, the colorful baby of the brood, remains rudderless and in need of guidance. And the sexy, stunningly handsome, untouchable James—to Courtney's dismay—may be in love with a beautiful and vibrant local artist. As the summer unfolds, a crisis escalates, surprising truths are revealed, and Courtney will at last find out where her heart and her future lie.
