Greater Is in You! is a book that teaches how to endure life's challenges through Jesus Christ and his written word. It gives a touch of real-life situations and a newfound strength through

Christ. We all have a story to tell, but which parts are we willing to tell? If we do decide to tell those parts, what are our motives? Greater Is in You! tells intimate details of life to encourage you that your life story has a purpose. This book includes life situations, brief study at the end of each chapter, and a twenty-one-day journal at the end of the book. It will change lives for those who are willing to commit to accepting Jesus Christ as their Savior and Lord and who understand that making the change comes with hard work, dedication, motivation, and commitment. When Jesus was walking

the earth, everyone had a theory about who he was—healer, revolutionary, king, friend, humble carpenter. But out of the vast complexity of characteristics and ideas there emerges one simple word that no one can deny: "Rabbi." These 36 Bible studies capture the heart of Jesus the Rabbi. He was a revolutionary, miracle-working, loving, powerful, divine teacher. For those whose minds are ready to be expanded, whose hearts are hungry to be touched, and whose lives are ripe for growth, John Ortberg and Bill Hybels invites people of all ages and backgrounds to

pull up a chair and dig into the life lessons of Jesus captured in the Bible throughout the Gospels. Designed for use as personal Bible study or group study, the interactive format will help readers grow in their ability to reflect the character of Jesus. Studies include: Twelve Studies on the Sermon on the Mount by Bill Hybels Six Studies on The Lord's Prayer by John Ortberg Six Studies on the Parables by John Ortberg Six Studies on The Passion Story by Bill Hybels Six Studies on Luke by Bill Hybels Our Bible Fun Factory Lesson Plans are "the essentials". every single Christian child between 4-12 needs to be taught. As we explore Genesis, we find out that God is creative and he appreciates when we are creative as well. Lessons Included: Lesson 1: God's Creation Lesson 2: Noah & the Great Flood Lesson 3: God's Promise to Abraham Lesson 4: Abraham & Sarah Have a Baby Lesson 5: Isaac & Rebekah Find Each Other We have 3 core beliefs when we create Bible Lesson Plans: 1) They should be EASY for the teacher to teach. 2) They should be FUN for the child. 3) They should actually TEACH the child bedrock principles of the Christian

Faith and the Bible.

Typically one game

is geared to young children 4-7 and another for the 8-12 year olds) -2 Intro Activities (These activities get the kids engaged in the lesson and help to fill the time as kids trickle in.) -2 Lesson Activities (These activities vary from object lessons, crafts, treasure hunts, and more) -Closing Prayer (Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson). Class Length: The lessons are designed to run for one hour, but can easily be expanded to cover more time if needed. Age Level: The lessons include age-appropriate activities, discussion, and

questions for children ages 4-12. Equally effective with mixed age groups or single age classes. Prep Time: Each lesson was designed to be taught after only 5-10 minutes of prep time. Denomination: Our lessons can be used by churches of all denominations, as the topics covered are truly the foundation of Christian faith. In addition, any Bible translation can be used. Through six video-based small group bible study lessons, Lysa TerKeurst encourages

Wanderers: lessons from women of stubborn hearts explores the lives of Hagar, Delilah, Jezebel, and nine other women of the Bible who wrestled with God. By retracing their steps, readers have the opportunity to learn from these complex women. Through vivid storytelling and deep insights, Gien Karssen unpacks the struggles and pitfalls these women encountered in their lives. As you read, you will begin to recognize where these women went astray and how you can avoid making

the same mistakes. Each book in the Her Name Is Woman series brings to life women who are featured in the pages of the Bible. As you grapple with God's role in each woman's life, you will be motivated to live your own life wholeheartedly for God. Each chapter includes relevant Scripture passages and study questions that have made the Her Name Is Woman series a favorite guide for Bible studies and small groups. GIEN KARSSEN is author of the Her Name Is Woman series. She was married for only six weeks when her husband was interned in a concentration camp during the Nazi

Holocaust, where he died. She lived the rest of her days avidly mentoring women as part of The Navigators in Europe. Pastors and ministers have one of the most challenging jobs on Earth. Spring theme: God Loves Us Psalms | Joel | Jonah | John | Romans | Ephesians | 1 John This spring, lessons in Adult Bible Studies follow the theme, "God Loves Us." God's love for us is evident in Scripture from the creation of the first humans through God's constant interactions with individuals and groups of people in their historical circumstances and developments. A survey of select Old and New Testament Scriptures reveals dynamic and

encouraging aspects of God's constant love for humankind God's Eternal, Preserving, Renewing Love Four lessons from First John, Ephesians, John, and Joel depict God's love for humans as primary and as the source of all love. These lessons show that God's love overflows, redeems, unites, and renews. The first lesson depicts God as love and the source of all love. The second lesson concentrates on God's redemptive, overflowing, and uniting love in Christ. The third lesson comes from Christ's high priestly prayer to God describing God's love for Jesus and all who believe

in Christ. The fourth lesson shows the ultimate restoring and renewing power of God's love. The third lesson recounts the Resurrection event in which God's love is displayed as victory over death. The fourth lesson

elaborates on the force and power of God's love in Christ to reconcile, justify, and preserve the believer. The final lesson in this unit focuses on Jesus' words describing himself in the role of the Good Shepherd. cover Why am I afraid to give a Bible study and yet the Holy Spirit continues to send me people to share my faith with? Why didn't the person get baptized that I spent months giving Bible studies to? Greetings Soul-Winners: The Holy Spirit empowered me to create these Bible Study Lessons during the first year of my ministry over 30 years ago. Although other effective Bible Study Lessons were available, I wanted the lessons to be clear, simple, and effective for me and for my students. Hopefully these lessons will be clear to you and your Bible students as well. I know you may be a little nervous as you

approach your first Bible study. But rest assured, God is with you and them and I am praying for you. As you share the Word of God, you will become a stronger and more knowledgeable Christian that God can use even more in His service. Just in case you are wondering if the lessons are really effective, I used the same lessons you have in your hand and with the power of the Holy Spirit over 1,200 precious souls found salvation in Jesus and got baptized. And the Holy Spirit will empower you to do the same. And you are not alone. Over 200 soul-winners sat where you now sit and used the same Bible

lessons. With the power of the Holy Spirit, they won their first soul or more and you will do it too. part of the Bible Study Lessons Part 1, We're going to look at the lives of most of the women mentioned in the Bible. We get an intimate look into the lives of some, but others are only mentioned by name. No matter how much or little we read about them, however, you can be sure God made sure they were mentioned for a reason. And that reason is for us to take notice of their lives and learn from them. When we think about heroes and the main 'characters' in the Bible Jesus is justifiably number one. Trailing right behind him, though, are Moses, David, Abraham, Noah, Paul, and Peter. Notice anything

about that list? They're all men, aren't they? Each of these men has a significant role in helping us understand how, why, and what it means to be obedient to God, but they aren't the only ones. God's Word also inspires and teaches us through the stories of several women whose lives are just as relevant as those of their male counterparts; women like Mrs. Noah, Hannah, Esther, Naomi, Rahab, Elizabeth, Lydia, and Mary, the mother of our Savior. Bible Study lessons Women of The Bible book looks at the lives of the women in the Bible from the perspective of what they have to offer

women today in relation to living faithfully and obediently in the midst of a chaotic society, the pressures of family and work, and of trying to discover who it is God created you to be. Bible Study lessons Women of The Bible book ...women God hand-picked to encourage and mentor us through his Word. The purpose of this book is to help Bible scholars recall previously learned Bible scriptures. Daily Bible Study 101: Q&A uses a system of 20 multiple-choice questions and answers for each day of the year based upon the first cognitive domain of the Revised Bloom's Taxonomy. By

building a solid foundation using the first domain, remembering, the Bible student will develop a basic understanding of God's holy Word. This book is designed to help ministers, Bible teachers, students enrolled in Sunday school classes, Bible study groups, students in college or high school Bible courses, and individuals discovering on their own the incredible Word of God. Ministers may use the book to help them recall key scripture points while preparing a sermon or a lesson plan for a Bible study class. Likewise, Bible teachers will find a treasure of questions and

answers to help them prepare scholarly lesson plans. Since students tend to learn better when engaged during discussions, the questions in this book may be used during a lesson to elicit students' responses to promote a positive learning environment in the classroom. Students enrolled in a high school or college course based upon the Bible may use this book as a supplement to other class texts and materials to gain further knowledge and a deeper understanding of the Bible. In addition, individuals will find the material helpful as they grow and discover God's holy

words. The book is not targeted toward any one particular Christian denomination; therefore, its purpose is not theology-based but instead concentrates on the literature in the Bible. Scripture verses in italics are included with each question to allow Bible learners a way to fact-check the answers to each question. The layout of the book is adapted to a structured daily Bible reading plan; however, a Bible study group could adapt the reading schedule to fit their time constraints. A unique feature of Daily Bible Study 101: Q&A is an individual or group may begin their daily Bible studies

at any time of the year, and still read the entire Bible in only twelve months. Understand Scripture And Find Inspiration in Him These 52 lessons by J.W. McGarvey provide an excellent resource for the Bible class program or for the serious Bible Student. They offer one full year of Bible class curriculum or in home devotional studies. The demand for the FIFTY-TWO BIBLE LESSONS, prepared by J. W. MCGARVEY in 1874, for Intermediate and Advanced Classes continues unabated. Notwithstanding the increased popularity of the international lessons, there are classes almost

everywhere that prefer to confine their studies to the New Testament, to the skip-around method adopted by the committee selecting the International Series. These have found in the FIFTY-TWO LESSONS, the subjects and lessons filling up the full measure of their desires. Hopkins Publishing has reset the type and now offer it to the Sunday-School world with confidence that it will abundantly satisfy every class that will adopt and study its lessons. This invaluable teaching tool helps both professionals and volunteers make the most of scarce preparation time. Broadman Comments delivers

sets of lessons (based on the International Sunday School Lessons) for Sunday school teachers and others who lead Bible study groups. Each lesson includes a complete analysis of the Scripture passage, plus detailed suggestions for making a clear and meaningful presentation. Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death.
