Ceremony Aug 17 2022 The house looked right. And the neighborhood was perfect. And everything else was wrong. So Spenser took the parents' money and went after a runaway girl. Unfortunately, April Kyle had already traveled two lifetimes from her suburban home. Now she was caught up in a web of pinps, criminals, and exploiters—the kind of people who won't listen to anything but money, or a gun. . . . Praise for *Ceremony*

“Sizzling.”—The Pittsburgh Press “Pick of the crop, this one. Genuinely involving.”—The Cleveland Plain Dealer

All Our Yesterdays Dec 09 2021

They were the Sheridan men, ruled by passion, betrayed by love, heirs to a legacy of violence and forbidden desire. Gus, Boston's top homicide cop: he knew equally well the backroom politics of City Hall and the private passions of the very rich, a man haunted by the wanton courage and perilous obsessions he inherited from his father... Conn, the patriarch, a lawless cop who spawned a circle of vengeance and betrayal that would span half a century... and Chris,

Gus's beloved son, a Harvard lawyer and criminologist, fated to risk everything to break the chain of obsession and rage... Three generations linked by crime and punishment--cops and heroes, fathers, sons, and lovers united at last by revelations that could bring a family to its knees...

Robert B. Parker's Wonderland

Jun 22 2020 When boxing trainer and long-time friend Henry Cimoli asks for Spenser's help with a heavy-handed developer who is sending thugs to pressure Henry to sell his beachfront condo, Spenser and his apprentice, Zebulon Sixkill, follow a trail to a beautiful woman, a megalomaniac Vegas

kingpin, and plans for a sprawling casino in Boston.

Robert B. Parker's Bye Bye

Baby Nov 20 2022 Boston PI Spenser takes on a new case in this installment in Robert B. Parker's iconic New York Times bestselling series. Carolina Garcia-Ramirez is a rising star in national politics, taking on the establishment with her progressive agenda. Tough, outspoken, and driven, the

young congresswoman has ignited a new conversation in Boston about race, poverty, health care, and the environment. Now facing her second campaign, she finds herself not only fighting a tight primary with an old guard challenger but also contending with numerous death threats coming from hundreds of suspects. When her chief of staff reaches out to Spenser for security and help finding the culprits of what he believes to be the most credible threats, Garcia-Ramirez is less than thrilled. Since her first grassroots run, she's used to the antipathy and intimidation women of color often face when seeking power. To her,

it's all noise. But it turns out an FBI agent disagrees, warning Spenser that Garcia-Ramirez might be in real danger this time. It doesn't take long for Spenser to cross paths with an extremist group called The Minutemen, led by a wealthy Harvard grad named Bishop Graves. Although Graves is a social media sensation, pushing an agenda of white supremacy and toxic masculinity, he denies he's behind the attacks. As the primary nears and threats become a deadly plot, it's up to Spenser, Hawk, and a surprise trusted ally to ensure the congresswoman is safe. This is Spenser doing what he does best, living by a personal code and moral compass that

can't ever be broken. [A Savage Place](#) May 22 2020 TV reporter Candy Sloan has eyes the color of cornflowers and legs that stretch all the way to heaven. She also has somebody threatening to rearrange her lovely face if she keeps on snooping into charges of Hollywood racketeering. Spenser's job is to keep Candy healthy until she breaks the biggest story of her career. But her star witness has just bowed out with three bullets in his chest, two tough guys have doubled up to test Spenser's skill with his fists, and Candy is about to use her own sweet body as live bait in a deadly romantic game--a game that may cost Spenser his life.

Boston PI Spenser and right hand Hawk follow a con man's trail of smoke and mirrors in this thrilling entry in Robert B. Parker's long-running series. Connie Kelly thought she'd found her perfect man on an online dating site. She fell so hard for handsome, mysterious M. Brooks Welles that she wrote him a check for almost three hundred thousand dollars, hoping for a big return on her investment. But within

weeks, both Welles and her money are gone. Her therapist, Dr. Susan Silverman, hands her Spenser's card... A self-proclaimed military hotshot, Welles had been a frequent guest on national news shows speaking with authority about politics and world events. When he disappears, he leaves not only a jilted lover but a growing list of angry investors, duped cops, and a team of paramilitary contractors looking for revenge. Enter Spenser, who quickly discovers that Welles' name, résumé, and client list are nothing but an elaborate fraud. As he follows the mystery man's trail from Boston to backroads Georgia, Spenser will need help from

trusted allies Hawk and Teddy Sapp to make sure Welles's next con is his last.

The Godwulf Manuscript Feb 28 2021 New York Times bestselling author of the Spenser series of crime thrillers—Book 1 in the series “The toughest, funniest, wisest, private eye in the field these days.”—Houston Chronicle Spenser earned his degree in the school of hard knocks, so he is ready when a Boston university hires him to recover a rare, stolen manuscript. He is hardly surprised that his only clue is a radical student with four bullets in his chest. The cops are ready to throw the book at the pretty blond coed whose prints are all over the

murder weapon but Spenser knows there are no easy answers. He tackles some very heavy homework and knows that if he doesn't finish his assignment soon, he could end up marked “D”—for dead.

Itinerant lawmen Virgil Cole and Everett Hitch return to confront an escaped criminal in the grittiest entry yet in Robert B. Parker's New York Times bestselling series. Territorial marshals Virgil Cole and Everett Hitch figured things had finally settled down in Appaloosa when Boston Bill Black's murder charge was dropped. But all that changed when Augustus Noble Driggs was transferred to a stateside penitentiary just across the border from Mexico. Square-

jawed, handsome, and built like a muscled thoroughbred stallion, Driggs manages to intimidate everyone inside the prison walls, including the upstart young warden. In a haunting twist of fate, Driggs and a pack of cold-blooded convicts are suddenly on the loose—and it's up to any and all territorial lawmen, including Cole and Hitch, to capture the fugitives and rescue the woman kidnapped during their escape. But nothing is ever quite what it seems with the ever-elusive Driggs. Finally free, he's quickly on his own furious hunt for a hidden cache of gold and jewels—and for the men who betrayed him and left him for dead. With an unlikely and

unconventional Yankee detective by their side, Cole and Hitch set off on a massive manhunt. As horses' hooves thunder and guns echo deadening reports, Driggs discovers one of the lawmen on his trail is none other than a fellow West Point graduate he'd just as soon see dead. Ruthless and willing to leave a bloody path of destruction in his wake, Driggs seeks vengeance at any cost.

A high society wedding ends unhappily ever after in this mystery starring Boston PI Spenser—"the timeless hero of American detective fiction" (The New York Times Book Review). Hired as a bodyguard

Double Play Sep 06 2021 It is 1947, the year Jackie Robinson breaks major-league baseball's colour barrier by playing for the Brooklyn Dodgers - and changes the world. This is the story of that season, as told through the eyes of a difficult, brooding, and wounded man named Joseph Burke. Burke, a veteran of World War II and a survivor of Guadalcanal, is hired by Brooklyn Dodgers manager Branch Rickey to

guard Robinson. While Burke shadows Robinson, a man of tremendous strength and character suddenly thrust into the media spotlight, the bodyguard must also face some hard truths of his own, in a world where the wrong associations can prove fatal. Parker fans will recognize many of the author's lifelong themes (honour and the redemptive power of love), and in Burke there are very real echoes of Parker's strongest character, Spenser. Coupled with the historical background of Jackie Robinson Parker has produced not only a great and gripping crime novel but also one of the most evocative baseball novels ever written.

'Parker fashions a hugely entertaining fiction that also serves as a blueprint for the themes that preoccupy him as a writer and the code of values that sustains his work' - New York Times

In Pursuit of Spenser Apr 01

2021 When Robert B. Parker passed in early 2010, the world lost two great men: Parker himself, iconic American crime writer whose books have sold more than 6 million copies worldwide, and his best-known creation, Spenser. Parker's Spenser series not only influenced the work of countless of today's writers, but is also credited with reviving and forever changing the genre. In Pursuit of Spenser offers a look at Parker and to Spenser through the eyes of the writers he influenced. Editor Otto Penzler - proprietor of one of the oldest and largest mystery specialist bookstores in the country, New York's The Mysterious

Bookshop, and renowned mystery fiction editor whose credits include series editor for the Best American Crime Writing and Best American Mystery Stories, among many others (and about whom Parker himself once wrote, "Otto Penzler knows more about crime fiction than most people know about anything")-- collects some of today's bestselling mystery authors to discuss Parker, his characters, the series, and their impact on the world. From Hawk to Susan Silverman to Jesse Stone and Sunny Randall, from the series' Boston milieu to Parker's own take on his character, In Pursuit of Spenser pays tribute to Spenser, and Parker, with

affection, humor, and a deep appreciation for what both have left behind.

When a woman's partially decomposed body washes ashore in Paradise, Massachusetts, police chief Jesse Stone is forced into a case far more difficult than it initially appears. Identifying the woman is just the first step in what proves to be an emotionally charged investigation. Florence Horvath was an attractive, recently divorced heiress from Florida; she also had a penchant for

steamy sex and was an enthusiastic participant in a video depicting the same. Somehow the combination of her past and present got her killed, but no one is talking—not the crew of the Lady Jane, the Fort Lauderdale yacht moored in Paradise Harbor; not her very blond, very tan twin sisters, Corliss and Claudia; and not her curiously affectless parents, living out a sterile retirement in a Miami high rise. But someone—Jesse—has to speak for the dead, even if it puts him in harm's way.

Parker's Stone's Throw](#) Nov 27 2020 Paradise is

rocked by the mayor's untimely death in the latest novel starring police chief Jesse Stone. The town of Paradise receives a tragic shock when the mayor is discovered dead, his body lying in a shallow grave on a property on the lake. It's ostensibly suicide, but Jesse's has his doubts . . . especially because the piece of land where the man was found is the subject of a contentious and dodgy land deal. Two powerful moguls are fighting over the right to buy and develop the prime piece of real estate, and one of them has brought in a hired gun, an old adversary of Jesse's: Wilson Cromartie, aka Crow. Meanwhile, the town council is

debating if they want to sacrifice Paradise's stately character for the economic boost of a glitzy new development. Tempers are running hot, and as the deaths begin to mount, it's increasingly clear that the mayor may have standing in the wrong person's way. **Robert B. Parker's Slow Burn** Dec 21 2022 Boston PI Spenser faces a hot case and a personal crisis in this adventure in Robert B. Parker's iconic New York Times bestselling series. The fire at a boarded-up Catholic church raged hot and fast, lighting up Boston's South End and killing three firefighters who were trapped in the inferno. A year

later, as the city prepares to honor their sacrifice, there are still no answers about how the deadly fire started. Most at the department believe it was just a simple accident: faulty wiring in a century-old building. But Boston firefighter Jack McGee, who lost his best friend in the blaze, suspects arson. McGee is convinced department investigators aren't sufficiently connected to the city's lowlifes to get a handle on who's behind the blaze—so he takes the case to Spenser. Spenser quickly learns not only that McGee might be right, but that the fire might be linked to a rash of new arsons, spreading through the city, burning faster and hotter every night. Spenser

follows the trail of fires to Boston's underworld, bringing him, his trusted ally Hawk, and his apprentice Sixkill toe-to-toe with a dangerous new enemy who wants Spenser dead, and doesn't play by the city's old rules. Spenser has to find the firebug before he kills again—and stay alive himself.

Parker. Stiles Island is a wealthy and exclusive

enclave separated by a bridge from the Massachusetts coast town of Paradise. James Macklin is a bad man, a very bad man. And Wilson Cromartie, known as Crow, is even worse. As Macklin plans his crime, Paradise police chief Jesse Stone has his hands full. He faces romantic entanglements in triplicate: his

ex-wife, Jenn, is in the Paradise jail for assault, he's begun a new relationship with a Stiles Island realtor named Marcy Campbell, and he's still sorting out his feelings for attorney Abby Taylor. Spenser returns—heading west to the rich man's haven of Potshot, Arizona, a former mining town reborn as a paradise for Los Angeles millionaires looking for a place to escape the pressures of their high-flying lifestyles. But when this western idyll is threatened by a local gang—a twenty-first-century posse of desert rats, misfits, drunks, and

scavengers—the local police seem powerless.
