Look at you. What a tease. You play shy and innocent, but he knows your naughty fantasies. Keep pushing those buttons. It's only a matter of time before he snaps. Deep down, that's what you really want, isn't it? You're desperate to give in to your secret desires. And these are strong, dominant men who take what they want, when they want it. They'll teach you a lesson you won't soon forget. Four books. 33,000 words. Hot and steamy romance featuring brats, billionaires, first times, pregnancy, and the happiest-ever-after endings you could hope for. Go ahead. Let your fantasies run wild. In this collection: 1. His Tight Little Brat 2. The Brat in His Bed 3. Naughty Little Brat 4. The Brat & the Beast "Her First Fourplay: Four Erotic, Taboo Short Stories About Brats and Their Men" is a bundle of steamy tales featuring Men of the House and their special girls. The forbidden four stories for your reading (and other!) pleasures include: "Special Delivery" Bratty, curvy, college freshman Holly misses George, the man of the house. She's stuck in her dorm room across town, while he lives alone after a bitter divorce. During some private time dedicated to a very taboo fantasy, the nubile coed is interrupted by a delivery. She receives a sexy care package of unmentionables from none other than the man who raised her! There's a problem, though: he says the items were intended for another woman - his girlfriend, Marsha (who looks almost exactly like Holly - but doesn't have the ample curves possessed by the girl he raised.) But did

George secretly want his little darling to receive a steamy package? Holly hatches a naughty, dirty plan to return the lingerie to George. And when she does, things get hot and sweaty during their forbidden, unprotected encounter. Find out what happens when you unwrap this Special Delivery!"

Laundry Day Never has a laundry room been so dirty, hot, or taboo! Inexperienced Megan is in love with the handsome, widowed man of the house - but doesn't know if he'd be into a curvy, BBW brat like her. Complicating matters is the fact he's reentering the dating world! His first date is with a woman every bit Megan's opposite: someone model-esque, skinny, confident, and closer to his age. Megan must convince him that the fertile girl he raised is the perfect one for him. She catches him in the laundry room - using a very intimate piece of her clothing while fantasizing about her voluptuous, full figure. Does he really want a taboo relationship with fertile, inexperienced Megan? Can she overcome her shyness to bare her soul - and body - to him? Will they actually give themselves to each other - completely, passionately, and unprotected?"

Diving In Kayla joins the swim team because she has a crush on Coach Andrew - who's also the man of the house. It becomes apparent on the first day of practice that the fertile brat's swimming skills aren't quite what they should be - especially for a girl raised by a gold medal diver. The two stay late for a private lesson - one involving plenty of hands-on instruction. But are the coach's touches incidental? Is inexperienced Kayla reading too much into the special attention he gives her? Dive in -- and find out

what happens turn very wet, steamy, unprotected, and taboo!"Riding Out the Storm"A severe thunderstorm warning has been issued for a lake cabin in the Midwest. The heat index is very high - and there's 100% chance of heavy precipitation and intense bursts!Thunderstorms terrify inexperienced Alana.When a particularly violent storm rattles the normally safe and cozy lake cabin - and Alana's nerves - there's only one place she feels safe: in bed with Steve, the man of the house. The thunder, lighting, and rain aren't the only disturbances in the unstable air, though. Steve grows flustered when flirty Alana's hands wander a little more than may be appropriate - especially because she's the girl he raised. Is he upset because her behavior is forbidden? Or because he must confront some feelings of his own? Or, perhaps, both?Get under the covers, batten down the hatches and prepare for the fertile brat and her mature, unprotected step to ride out a very taboo storm! Excerpt: It was now late afternoon and just two students
left. First was Eric. He had done really well at school and

achieved high grades. Here at university he was head and shoulders above everyone else. He was a pleasure to teach and he worked hard with his studies. He produced top quality work and always on time. He would do well. We talked about the book he was currently studying and time flew. There was a knock at the door, my last student appointment of the afternoon. I looked up "That went fast" I said to Eric. "Come in" I shouted towards the door. It opened and Kylie came in. My heart fell. She was the original dumb blonde. Kylie was 19, strawberry blonde with huge blue eyes and a figure to die for. I might be more than twice her age, a widower and her tutor but I hadn't lost my libido. My mind sank at the prospect of a tedious session where nothing apparently went into her brain and my cock splendidly hardened as I looked at her. I think she tried her best but that just didn't cut the mustard and I often wondered how she gained her A Level grades to get to university.

Marcy and May are two brats who know each other better than anyone else, and do everything together. They look the same, they dress the same, and they even share the same room! But Marcy and May are also fiercely competitive. And when it comes to their first time, they both know exactly what they want - the two boys they grew up with to take them without protection! Will they be able to seduce the boys they grew up with, and convince them to give into their desires and engage in a forbidden lust? A taboo tale about two women and two men who share the same house.

I've just been dumped, and I'm sunbathing when my step-daddy catches me, topless, and skipping class. Instead of getting mad, though, he's warm and kind and so unbelievably sexy. He's a big time CEO and never spends enough time with me, but he doesn't want me to leave. He's practically begging me not to go to college, and promises that he'll teach me what a real man's like. The things he does to me... I must've lost my mind to be doing something so forbidden and taboo, but having him between my legs, raw and without a thing to come between us, I'm in heaven. I finally had the lady of the house's brat. And she

was too good to resist. The problem now? She's leaving for college in 3 weeks, but I'm determined to make the most of the time. The brat is so open to trying new things ... like the backdoor. This brat is about to be taught a lesson. MAX She's off limits. The one girl I can't have. Of course, I don't know that when I see her for the first time and bury myself inside her. But I'm marrying her mother... a loveless marriage that means nothing to either of us, but still means Lola Grace can't be mine. I wouldn't be good for her, anyway. I play hard, and f*ck harder. I'd ruin a pretty young girl like her in mere hours. But I just can't resist... Lola Grace is too damn sweet for me to give up. LOLA GRACE My life changes when Max River walks into it. He complicates everything, making me regret ever setting eyes on his tall, inked and toned body. But at the same time, I can't let go. I know the rules. No kissing. Not touching. No talking. No f*cking. And I'm about to break every one of them. This MAN OF THE HOUSE knows what he wants and he never asks for permission... Wild, crazy and drop-dead gorgeous. The brats were so flirty, I was constantly left hard

and throbbing. It was too much temptation to deny. I have to have them. Both of them. It was time to seduce them and show them exactly how the man of the house handles business. Aberdeen - It's ridiculous, but at almost twenty-two, Mother still controls what I wear and what I read. So, when my childhood bodyguard retires, of course Mother chooses his replacement without consulting me. I need someone to protect me from the kidnappers who always seem to be lurking, but huge, quiet, Mr. Köhler, with his jaw like stone and mashed nose, is not what I have in mind. The man seems like he's going to be dull, but the first time I get sassy with him, his intensity steals my breath. Teasing him is the most fun I've ever had.

Blue- Before I can stop her, the bratty little tease I'm protecting gets under my skin...and then she starts calling me Daddy. Although she tests my patience and self-control, I can't bring myself to resign. As the danger escalates, I'll do anything to keep Miss Kincaid safe...but keeping her safe from me is the most difficult assignment I've ever had. The lady of the house's brat was finally home from college for a break, and

she has a surprise. Two months was way too long to go without her. But you know what they say: Absence makes the d*ck grow harder. The MAN OF THE HOUSE has built a secret dungeon just so he can bring the BRAT down there for some taboo games. He's going to get his way with her whether she likes it or not... Will he make sure she takes it all in -- hard and unprotected? What if the brat decides she really loves it and NEEDS MORE?
